

Writing Center Reflection

Date and time of your visit: _____

First name of Writing Consultant: _____

Please write a paragraph of approximately 100 words describing your visit to the Writing Center. You might answer some or all of the following questions: Which assignment did you take to the Writing Center? At what stage in the writing process did you visit (brainstorming, planning, drafting, revising, discussing instructor feedback, final polishing)? Which of the Writing Consultant's suggestions were most helpful? Were there any suggestions you did not understand or decided to ignore (and why)? What will you do to improve your paper now that you have visited the Writing Center?
