MONTCALM

Book Description:

Helena Pelletier has a loving husband, two beautiful daughters, and a business that fills her days. But she also has a secret: she is the product of an abduction. Her mother was kidnapped as a teenager by her father and kept in a remote cabin in the marshlands of Michigan's Upper Peninsula, where Helena grew up as "The Marsh King's Daughter." Now, her father has escaped from prison and disappeared into the marsh, and she must risk everything to help police hunt down the dangerous man who shaped her past and threatens to steal her future.
