

MITRANSFER PATHWAYS

ARTICULATION AGREEMENT

PSYCHOLOGY

# MITRANSFER PATHWAYS ARTICULATION AGREEMENT: PSYCHOLOGY

## OVERVIEW

In Fall 2017, the Michigan Community College Association (MCCA) and the Michigan Association of State Universities (MASU) received a one-time appropriation from the state of Michigan to support the development of multi-institutional associate to bachelor's degree transfer pathways. MCCA and MASU in partnership with the Michigan Independent Colleges and Universities (MICU) and the Michigan Association of Collegiate Registrars and Admissions Officers (MACRAO) convened the Transfer Steering Committee with more than 30 representatives from colleges and universities from across the state to develop the MiTransfer Pathways project. The MiTransfer Pathways project plan selected 12 programs with high enrollment and/or high labor market demand. The goal of the project was to build multi-institutional transfer pathways so students can enroll at any participating community college, complete an associate degree, transfer, and complete a bachelor's degree in the identified program of study.

In spring and fall of 2018, psychology faculty from community colleges, public universities, and independent colleges and universities in Michigan met to identify courses that are required, recommended, optional or appropriate in the first and second year of the bachelor's degree programs at all participating universities. We refer to these commonly required courses as "MiTransfer Pathways courses." The MiTransfer Pathways courses in psychology are:

- Introduction to Psychology
- Abnormal Psychology
- Developmental Psychology
- Social Psychology

These courses have been reviewed by receiving institutions and will be accepted for transfer and applied to the psychology program at all participating institutions (unless otherwise indicated in this agreement). The participating institutions agreed to establish direct equivalencies between these courses. Direct equivalencies are established when a course at the sending institution transfers as a direct equivalent to the course at the receiving institution and the credit is transcribed as a department and number (i.e. PSYCH 105) instead of department and no number (i.e. PSYCH GEN or PSYCH 100X). Direct equivalency is preferred because students can see how the transferred course applies to the degree program.

In addition to identifying MiTransfer Pathways courses as described above, the faculty also identified Remaining Degree Requirements. The Remaining Degree Requirements identified by receiving institutions (universities) include courses that students can transfer from the community college but were not identified as MiTransfer Pathways courses because they were not accepted at every participating receiving institution. The Remaining Degree Requirements identified by sending institutions (community colleges) included courses or requirements that meet community college degree requirements but will not necessarily transfer to participating universities. Participating

## MITRANSFER PATHWAYS ARTICULATION AGREEMENT: PSYCHOLOGY

institutions submitted program worksheets (see Appendices A and B) that outlined these courses. Participating institutions will use these worksheets to communicate requirements to students.

### TERMS OF THE AGREEMENT

1. This agreement is effective on December 6, 2019.
2. Participating institutions agree that all courses must be completed with a grade of C (2.0) or better unless otherwise indicated by the receiving institution.
3. Participating institutions agree that to use this agreement, students must apply and be admitted to the participating institution and to the program if the program requires secondary admission. Receiving institutions agree to communicate the application process for institution and program admissions for transfer students on a publicly available website and through advising.
4. Participating institutions agree to accept the Michigan Transfer Agreement (MTA) in accordance with the institutions' MTA policy.
5. Participating institutions agree to award equivalent credit for MiTransfer Pathways courses (see Course Equivalency Matrices in Appendix C) and apply courses to the bachelor's degree requirements unless otherwise noted in the Course Equivalency Exceptions documented in Appendix D. If no direct equivalent exists because the course is not offered or required at the receiving institution, then the receiving institution agrees to accept the course and apply the course toward the Psychology degree program. If the community college does not offer the course, the community college should communicate this information to students on a publicly available website and/or the Michigan Transfer Network at [mitransfer.org](http://mitransfer.org) and help students find an equivalent course at other institutions.
6. Participating institutions agree to upload course equivalencies for MiTransfer Pathways courses to the Michigan Transfer Network at [mitransfer.org](http://mitransfer.org).
7. Receiving institutions agree to accept the Remaining Degree Requirements as outlined in the receiving institutions' Program Worksheet included in Appendix B. Participating institutions agree to work toward awarding direct equivalency for Remaining Degree Requirements, apply courses to the bachelor's degree requirements, and add course equivalencies to the Michigan Transfer Network.

## MITTRANSFER PATHWAYS ARTICULATION AGREEMENT: PSYCHOLOGY

8. Sending institutions agree that Remaining Degree Requirements identified by community colleges that are not required by the receiving institution may not transfer or may not apply to bachelor's degree requirements at the receiving institution.
9. Alternative credit awarded by the sending institution through AP, CLEP, IB, credit earned through credit for prior learning, or other means may be accepted and applied to the degree program at the discretion of the university. Sending institutions may apply alternative credit to the associate degree, but students should confirm whether or not credit is acceptable at receiving institutions.
10. Students may earn credit from multiple institutions as long as the course was completed at a sending institution that is participating in the agreement. There is no assurance that credits earned from institutions not participating in the agreement will apply.
11. Participating institutions agree to maintain up-to-date course equivalencies and information about their participation with this agreement. This information will be made publicly available through their own systems and on the [mittransfer.org](http://mittransfer.org) website.
12. In the performance of their respective duties and obligations under this Agreement, each Party is an independent contractor, and neither is the agent, employee, or servant of the other. Each is responsible only for its own conduct.

# MITRANSFER PATHWAYS ARTICULATION AGREEMENT: PSYCHOLOGY

## MAINTENANCE AND REVIEW

### *Modifications to Worksheets and Equivalencies*

Colleges and universities will use the worksheets in Appendix A and B as the basis to advise transfer students. Any changes to program worksheets in Appendix A and B should be communicated to participating institutions as soon as possible to avoid students completing courses that will not transfer. Changes may include:

- Adding programs in the pathway (e.g., add Environmental Studies to the Biology pathway);
- Modifying, removing, or adding MiTransfer Pathways courses;
- Modifying, removing, or adding courses to the Remaining Degree Requirements;
- Materially modifying the educational experience or content of the MiTransfer Pathways courses.

If any of the aforementioned changes occur, participating institutions are expected to communicate with their sector representative from the Michigan Association of State Universities (MASU), Michigan Community College Association (MCCA), or Michigan Independent Colleges and Universities (MICU). These changes will be vetted among participating institutions, including reviewing and establishing equivalencies where needed. Changes to the worksheets and equivalencies will be documented and available at [mitransfer.org](http://mitransfer.org) website.

### *Joining the Agreement*

Institutions can join the agreement at any time and should contact their sector representative at the Michigan Association of State Universities, the Michigan Community College Association, or the Michigan Independent Colleges and Universities. Institutions that join the agreement will be required to comply with the terms of the agreement.

### *Renewing the Agreement*

This agreement will be up for renewal on June 30, 2022. The Michigan Community College Association, the Michigan Association of State Universities, and the Michigan Independent Colleges and Universities agree to coordinate renewal of this agreement during the 2021-2022 academic year. Participating institutions may choose to leave the agreement at that time.

# PSYCHOLOGY MiTRANSFER PATHWAY

## DEGREE PROGRAM INFORMATION

Institution	<b>Alpena Community College</b>
Degree/Program	<b>Associate in Arts/Psychology</b>
Credits Required	<b>60</b>

## MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at [www.mittransfer.org](http://www.mittransfer.org).

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Psychology MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

## MITRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSY 101	General Psychology	3
Abnormal Psychology	PSY 242	Abnormal Psychology	3
Developmental Psychology	PSY 226	Developmental Psychology	3
Social Psychology	PSY 241	Social Psychology	3
TOTAL CREDITS			12

## REMAINING DEGREE REQUIREMENTS

These are additional associate degree requirements that are not MTA or MiTransfer Pathways courses. They may not be accepted for transfer by universities participating in the agreement. If there are remaining hours, use the Remaining Degree Requirements in Appendix B identified by the university to which the student plans to transfer to select courses that meet bachelor's degree requirements.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
Electives- selected based on transfer institution requirements			19
Additional Humanities/Fine Arts credits (minimum 8 credits of Humanities/Fine Arts from more than one discipline)	students can select from the list of ACC Humanities/Fine Arts-eligible courses		2
American Government requirement	PLS 221 or 222; or HST 221 and 222	American Government and Politics or State and Local Government; US History I and US History II	<b>MTA Social Science</b>
English Composition II	ENG 112	English Composition II	<b>MTA 2nd writing</b>
Remaining hours			21
TOTAL CREDITS			60

## DEGREE PROGRAM INFORMATION

Institution	<b>Alpena Community College</b>
Degree/Program	<b>Associate in Science/Psychology</b>

## DEGREE PROGRAM INFORMATION

Institution	<b>Henry Ford College</b>
Degree/Program	<b>AA Liberal Arts/Area of Study Psychology</b>
Credits Required	<b>60</b>

## MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at [www.mittransfer.org](http://www.mittransfer.org).

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Psychology MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

## MITRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSY/131	Introductory Psychology	3
Abnormal Psychology	PSY/251	Abnormal Psychology	3
Developmental Psychology	PSY/253	Lifespan Psychology	3
Social Psychology	PSY/ 254	Social Psychology	3
TOTAL CREDITS			12

## REMAINING DEGREE REQUIREMENTS

These are additional associate degree requirements that are not MTA or MiTransfer Pathways courses. They may not be accepted for transfer by universities participating in the agreement. If there are remaining hours, use the Remaining Degree Requirements in Appendix B identified by the university to which the student plans to transfer to select courses that meet bachelor's degree requirements.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
HFC/ ILO	CIS/100 Wellness	Introduction to Information Technology	3
		Any Wellness	2
Electives -selected based on the transfer institution's requirements.	Students are encouraged to consider additional psychology electives after checking on transferability.		16
		Remaining hours	16
TOTAL CREDITS			60

# PSYCHOLOGY PROGRAM WORKSHEET

In the sections below, institutions should fill in courses that are required, recommended, or optional in the first two years of the academic program and will facilitate the multi-institutional transfer agreements in each MiTransfer Pathways program. Please visit the project's digital forum at <https://canvas.instructure.com/courses/1364208> to upload your final worksheet *before December 1, 2018* in the single module repository entitled Final Phase I Worksheets.

## DEGREE PROGRAM INFORMATION

Add program related information including your institution, the degree and program, and the total credits required to complete the degree. Complete an additional worksheet for each degree program. For example, business programs need to complete one worksheet per program for business admin, marketing, finance, international business, etc.

Institution	<b>Lansing Community College</b>
Degree/Program	<b>Psychology</b>
Credits Required	<b>60</b>

## MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at [www.mittransfer.org](http://www.mittransfer.org).

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Business MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

## MITRANSFER PATHWAYS COURSES

Add the commonly agreed upon "pathways courses" which were identified at the MiTransfer Pathways Summit. If a course also fulfills an MTA distribution requirement, please list here but only count the hours in the MTA section.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSYC 200	Introduction to Psychology	4
Abnormal Psychology	PSYC 250	Abnormal Psychology	3
Developmental Psychology	PSYC 205	Human Growth and Development	3
Social Psychology	PSYC 203	Social Psychology	3
		TOTAL CREDITS	13

## REMAINING DEGREE REQUIREMENTS

**Universities:** Add any courses that were not identified as MiTransfer Pathway courses, but are required, recommended, or optional in the first two years. Add any additional non-MTA general education requirements that can transfer.

**Community colleges:** Add any additional associate degree requirements that are not MTA or MiTransfer Pathways courses. Indicate the remaining hours required to earn an associate degree (CC only: add remaining hours).

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
Program Requirement	PSYC 202	Psychology of Personality	3
Program Requirements – Select additional courses to total 60 credits	PSYC 221	Child Psychology	3
	PSYC 175	Psychology of Death: Pre. for Living	3
	PSYC 180	Intro to Positive Psychology	3
	PSYC 209	Brain and Behavior	3
	PSYC 210	Cognitive Psychology	3
	PSYC 222	Adolescent Psychology	3

	PSYC 240	Psychology of Human Sexuality	3
	PHIL 151	Introduction to Critical Thinking and Logic	4

## MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at [www.mittransfer.org](http://www.mittransfer.org).

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Psychology MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

## MITRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSYCH 201	Introductory Psychology	4
Abnormal Psychology	PSYCH 239	Abnormal Psychology	3
Developmental Psychology	PSYCH 229	Life-Span Developmental Psychology	4
Social Psychology	PSYCH 207	Social Psychology	4

Credits Required	<b>120</b>

## MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether or not any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. Be aware that "double count" policies differ from institution to institution. More information about the MTA is available at [www.mitransfer.org](http://www.mitransfer.org).

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Psychology MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

## MITRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSY 2013	General Psychology	3
Abnormal Psychology	PSY 3033	Abnormal Psychology	3
Developmental Psychology	PSY 2223	Lifespan Development	3
Social Psychology	Not required	Transfer credit applies as required program elective	3-4
TOTAL CREDITS			12-13

## MITRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSY 1020	Elements of Psychology	3
Abnormal Psychology	PSY 3310	PSY core or major elective course (21 core/elective credits required, at least 2 core classes)	4*
Developmental Psychology	PSY 2400	PSY core or major elective course (21 core/elective credits required, at least 2 core classes)	4*
Social Psychology	PSY 2600	PSY core or major elective course (21 core/elective credits required, at least 2 core classes)	4*
TOTAL CREDITS			15

\* Credits correspond to WSU credits for each course. May differ upon transfer based on original institution's credits.

## REMAINING DEGREE REQUIREMENTS

These are required, recommended, or optional courses that transfer students could complete at a community college to fulfill degree requirements at the university/ receiving institution.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
Foreign Language Requirement	Two-course sequence in a single foreign language	Proficiency is demonstrated by completing courses numbered 1010 and 1020 in one of the following subject area codes: ARB, ARM, CHI, FRE, GER, GKA, GKM, HEB, ITA, JPN, LAT, POL, RUS, SPA, SWA, and UKR	8
Program Requirement (PSY major elective course, 21 core/elective credits required)	PSY 3350	Psychology of Personality	3
Program Requirement (PSY core or major elective course, 21 core/elective credits required, at least 2 core classes)	PSY 3120	Brain & Behavior	3
Program Requirement (PSY major elective course, 21 core/elective credits required)	PSY 3380	Human Sexuality	3

Program Requirement (PSY major elective course, 21 core/elective credits required)	PSY 3440	Psychology of Child Behavior & Development	3
		CC Only: Add remaining hours	
TOTAL CREDITS			**

\*\* Most students require 38 credits of PSY coursework to complete the major. At least 20 PSY credits must be completed in residence at WSU, so we recommend students do not transfer more than 18 total PSY credits.

# PSYCHOLOGY

<b>Course</b>	<b>College/University</b>	<b>Community College</b>	<b>Explanation</b>
Abnormal Psychology	All Participating Universities	Wayne County Community College District	Wayne County CCD does not offer; however, MEH 240 is accepted by some institutions to satisfy Abnormal Psychology
Developmental Psychology	All Participating Universities	Southwestern Michigan College	SW Michigan College does not offer; however, other courses may be accepted by some institutions to satisfy Developmental Psychology
Developmental Psychology	All Participating Universities	Montcalm Community College	Montcalm CC does not offer; however, other courses may be accepted by some institutions to satisfy Developmental Psychology
Developmental Psychology	Eastern Michigan University	Alpena Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Bay College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Delta College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Glen Oaks Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Gogebic Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Grand Rapids Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Henry Ford College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Jackson College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Kalamazoo Valley Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Kellogg Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Kirtland Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Lake Michigan College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Lansing Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Macomb Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Mid Michigan College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Monroe County Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Montcalm Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Mott Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Muskegon Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	North Central Michigan College	EMU does not offer; Community college course will apply to major electives

Developmental Psychology	Eastern Michigan University	Northwestern Michigan College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Oakland Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Schoolcraft College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Southwestern Michigan College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	St. Clair County Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Washtenaw Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	Wayne County Community College District	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Eastern Michigan University	West Shore Community College	EMU does not offer; Community college course will apply to major electives
Developmental Psychology	Finlandia University	Alpena Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Bay College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Delta College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Glen Oaks Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Gogebic Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Grand Rapids Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Henry Ford College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Jackson College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Kalamazoo Valley Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Kellogg Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Kirtland Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Lake Michigan College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Lansing Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Macomb Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Mid Michigan College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020

Developmental Psychology	Finlandia University	Monroe County Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Montcalm Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Mott Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Muskegon Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	North Central Michigan College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Northwestern Michigan College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Oakland Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Schoolcraft College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Southwestern Michigan College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	St. Clair County Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Washtenaw Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	Wayne County Community College District	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Finlandia University	West Shore Community College	Finlandia does not currently offer; will offer PSY 265 – Developmental Psychology beginning Fall 2020
Developmental Psychology	Rochester University	Southwestern Michigan College	SW Michigan College - PSYC 205 will transfer as PSY 3203, Child Development, not Life Span Development
Developmental Psychology	Siena Heights University	Southwestern Michigan College	Syllabus under review
Developmental Psychology	Spring Arbor University	Southwestern Michigan College	Will accept PSYC 205 to satisfy Developmental Psychology
Social Psychology	All Participating Universities	Kalamazoo Valley Community College	Kalamazoo Valley CC does not offer
Social Psychology	All Participating Universities	Kirtland Community College	Kirtland CC does not offer
Social Psychology	All Participating Universities	Montcalm Community College	Montcalm does not offer; however, other courses may be accepted by some institutions to satisfy Social Psychology
Social Psychology	All Participating Universities	Oakland Community College	Oakland CC does not offer
Social Psychology	Eastern Michigan University	Southwestern Michigan College	Syllabus under review; Accepted to satisfy major requirements
Social Psychology	Rochester University	Alpena Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements

Social Psychology	Rochester University	Bay College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Delta College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Glen Oaks Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Gogebic Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Grand Rapids Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Henry Ford College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Jackson College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Kalamazoo Valley Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Kellogg Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Kirtland Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Lake Michigan College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Lansing Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Macomb Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Mid Michigan College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Monroe County Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Montcalm Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Mott Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements

Social Psychology	Rochester University	Muskegon Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	North Central Michigan College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Northwestern Michigan College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Oakland Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Schoolcraft College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Southwestern Michigan College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	St. Clair County Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Washtenaw Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	Wayne County Community College District	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	Rochester University	West Shore Community College	Rochester does not offer; Community college course accepted as elective credit to satisfy major requirements
Social Psychology	University of Michigan-Flint	Southwestern Michigan College	Syllabus under review
