122 credits to complete
23 DU courses to complete

# Preferred Course

\*It is recommended that students seeking this degree program complete BIOL120 and BIOL131. Biology, chemistry, and/or natural science electives may be substituted if the student has previously earned applicable credits.

\*\* In order to receive credit for HLTH100, student must provide a copy of both a current, approved CPR card and First Aid card. Cards may be obtained from either the American Heart Association or the American Red Cross.

Please note that students will not be awarded both the BBA Health Services Administration and the BS Health Services Administration. Only one degree and catalog year of the Health Services Administration major may be declared.

1See "Guide to Electives" for list of choices in the 2019-2020 undergraduate catalog.
